

# Year 3 Autumn 1 Newsletter

We have all had a fantastic first week in Year Three. We have begun our Topic by visiting West Glebe Park to investigate forces for our Topic 'Mighty Metals'. We have also been getting used to a new building and a different structure to the day! We ask parents not to accompany into the building, as there are 90 children in Year Three and only one door! The doors are open from 8.40am and your child is expected to walk in, to develop their sense of independence. The whistle blows at 8:50am and registers are taken promptly. We close the registers at 9am so any child arriving after this time is expected to sign in at the office as they will be marked late.

## Healthy Snacks

## Mighty Metals

Our new topic is the Mighty Metals. Over the course of the term, we will look at forces and metals including magnetism.

We have already had a great visit to the park to start our topic off and we plan to have an activity that parents can join us for.

In KS2, children are not given fruit at break time. Therefore, they should be sent with a healthy snack, such as a piece of fruit or a cereal bar each day, to enjoy at break time. Children also need water bottles in school, each day, to ensure they can stay hydrated!

We also need materials for junk modelling as one of our activities during the project. Please send in anything that you have!!!

## Uniform

Please ensure children come dressed in full uniform every day. To help reduce the amount of lost property, make sure uniform is all labelled. Uniform is Blue sweatshirt with school logo on, white or red polo shirt, grey skirt/pinafore or trousers and black shoes.

Please note leggings and trainers are not school uniform. If you have recently purchased a non-uniform item, please replace correctly next time.

## Homework

Your child will be expected to read everyday to an adult at home. You will also need to write in their reading log to show that they have read. We would also like you to support your child in remembering to bring their reading books and logs into school everyday.

They will also be expected to practise their times tables and will receive activities to support this or work on Education city. Log ins for Education city will be sent out in the near future.

As part of our topic we will send home a list of activities that you can choose to complete with your child at home. You only need to complete one of these through this half term and we would like to see the results in school the week before half term!!!

## P.E.

P.E. is a vital part of the national curriculum. Each class has P.E. twice a week. P.E. kit must be labelled with your child's name.

In year three we have a morning session on a Thursday when your child will be expected to arrive in their kit then change into uniform in school.

Full correct P.E. Kit is required. A red t-shirt with the school emblem, black shorts or joggers, trainers or plimsolls.

If you need to order any items of PE kits, this can be done at the office.

### Dates for your diary:

#### Parent Meetings -

Tuesday 16<sup>th</sup> October 3:30-7pm  
Thursday 18<sup>th</sup> October 3:30-5:30pm

#### Year Three Class Assemblies (Starting at 9am)

Sharman 31st October  
Dahl 14th November  
Farrah 28th November
