

2nd May 2017

Dear parents/carers

As you know when Ofsted visited the school in November 2016 the school was put into the special measures category. To support the school in moving forward HMI undertake to visit the school. These visits are to assess the developments being made and ensure that what is happening is enabling the children to make good progress with their learning.

We will be having one such visit on Wednesday and Thursday of this week. Emma Nuttall, HMI will be with us for the two days. There is no report from these visits but a letter which comments on the progress being made.

Yours faithfully

Tricia Davies

Tricia Davies – Interim Head of Academy
